PINsafe Demo Support

Introduction

This outlines the use of the PINsafe Demo website https://demo.swivelsecure.com/

Overview

The PINsafe Demo website allows PINsafe to be demonstrated to customers. The demonstartion allows users to enter a PIN number and uses a single security string for the SMS and Graphical image. It should be emphasised that this is not normal operation, and the Single Channel TURing Image security string is always different from the Dual Channel SMS Security String.

Prerequisites

Web browser for Single Channel

Mobile Phone for SMS

Issues

Enter the mobile phone number including country code without a + or 00
